All "AS NEW" items were shop bought new, have been stored at home and **never dived.**

I also have:-

a **Suunto Stinger** wrist dive computer with steel and rubber bracelets, instruction manual and full computer connectivity which is being professionally serviced (incl. new battery) at present.

and an **Apeks** TX50 1st and 2nd stage regulator set with dry suit and bcd hoses and **Dive Team** cylinder pressure and depth gauges also being serviced.

If anyone wants to try, haggle or get first dibs at any particular item, 'phone or email me and we can arrange a meet . As a guide, just about **everything** can be seen online.
